PART III

EXPLANATORY NOTES

1. Fresh letters of support (as set out in Note 6 below) must accompany this application.

2. The firearms registration officer will acknowledge receipt of your application and his acknowledgement will include an authority for you to purchase ammunition whilst your application is being considered.

3. ANTIQUE FIREARMS. If the weapon has been rendered "permanently inoperable", a certificate to this effect should be obtained from a gunsmith. Its registration in terms of the Firearms Act will then be unnecessary and the firearm certificate should therefore be surrendered for cancellation.

   Firearms *manufactured prior to the 1st January*, 1900, are now subject to a special rate of fee ($6). Owners of these antique firearms are therefore required to establish the year of manufacture of their weapon and satisfy the controller in this regard. Cases of doubt should be referred to an antique - dealer or gunsmith.

4. FEES. For all weapons manufactured on or after the 1st January, 1900 (excluding fully automatic weapons), the fee is $15. PLEASE DO NOT SEND ANY FORM OF PAYMENT UNTIL ASKED TO DO SO. When advising the result of your application, we will tell you what fees are to be paid and the manner of payment.

5. JOINT HOLDERS. If your certificate is endorsed "Joint holder", some other person will be holding a separate firearm certificate for the same weapon. If that other person is your spouse, provided his/her certificate is renewed and your need for the firearm is confined to the home, the renewal of *your* certificate is unnecessary and should, therefore, be surrendered for cancellation. Your possession of that firearm *within the home* will continue to be lawful because the Firearms Act has now been amended to permit a wife/husband to have the use (within the home only) of any firearm which is currently registered in the name of her/his spouse. The fee for renewal of a joint holder's certificate is $15. If you decide not to renew yours, it should be marked "Renewal not required" and surrendered to the firearms registration officer for cancellation.

6. WHY YOU NEED THE FIREARM(S). Good reasons must be given (in respect of each weapon) to justify your possession of it. Wherever possible, the reasons should be supported, in writing, by a third party. For example: -

IF THE WEAPON IS NEEDED FOR-	YOU SHOULD ENCLOSE A LETTER OF SUPPORT FROM
(a) protection of crops and /or livestock.	the Administrative officer of your Local District Council or an official of the Government Extension Services or a member of your Local Intensive Conservation area committee.
